

Camp Packing List

The following list of items will be necessary for the week at camp. Please let us know if any are not available for your child.

- We recommend having your child help with the packing so they know what they have to use at camp. They can even help check off each item as it is packed, so they know they have everything.
- **Label everything with camper's name or initials.** Otherwise clothes can be mixed up with other campers'.
- Please send warm clothes and bedding. **Don't buy new clothes, send the "grungy" ones!**

Clothes

- Jeans or long pants
- Shorts
- Shirts or T-shirts
- Underwear (plenty)
- Socks (plenty)
- Bathing suit
- Pajamas
- Warm jacket
- Sweatshirt or sweater
- Shoes
- Raincoat

Equipment

- Flashlight and extra batteries
- 2 Towels (one for swim time/ one for showers)
- Water bottle to refill during the week

Bedding and Toiletries

- Warm sleeping bag OR
- Warm blankets and sheets
- Pillow
- Soap
- Shampoo
- Toothbrush/toothpaste
- Deodorant
- Brush/Comb
- Sunscreen
- Mosquito repellent (non-aerosol)

Optional

- Book to read
- Stuffed animal
- White T-shirt to tie-dye
- Playing cards

All medications, whether prescription or over-the-counter, MUST come in their original containers and are to be handed in to the Bus Chaperone if riding the bus, or the Camp Nurse if you are driving your child to camp. Campers should not hold onto their own medicines at camp.

DO NOT BRING:

Mobile phones, radios/music players, computer games, trading card collections, candy, gum or any other food. (Trust us about the food especially as critters can smell food stored in the cabins and tents.)

If your child does bring any of these items to camp, staff will collect any they see, and it will be the parents' responsibility to collect them. It is not recommended that they bring money either. There is no opportunity to buy anything on the drive to and from camp, or at camp itself.
