

GENERAL INFORMATION

Camp Exclamation Point, Inc. (CAMP!) provides continuity and community to underserved rural Vermont kids through a week-long residential summer camp in Thetford, VT.

Our 110+ campers have limited opportunities for such an experience because of a lack of financial resources and many of the families are involved with agriculture, dairy and timber industries, often moving from location to location to follow seasonal work.

Our program empowers campers to make positive choices that maximize their experience at CAMP!, putting an emphasis on kindness and cooperation.

From the experience, campers become aware of an expanded set of possibilities and are better able to make good choices in their lives, having a positive impact back in their home communities and beyond.

Dates for CAMP! this year are:
Sunday 8/13/2017 through
Saturday 8/20/2017

The CAMP! Experience

Once campers arrive, they are welcomed into a Pod group of like age and gender, where kids can get to know one another and take part in fun and exciting activities. Throughout the week, campers join the rest of the camp community at meal times and during daily programming, such as swimming,

arts and crafts, nature, canoeing, woodwork and field sports.

At CAMP!, we want

every camper to have a great experience that creates positive memories and looking forward to coming back each Summer.
